“ I had Mrs. Whiteleather as a 4th grade teacher (I first knew her as Mrs. Welsh) at Garfield Elementary. She was my favorite teacher, truly gifted at her profession and a wonderful human being overall. I remember her as kind, understanding, fair, and of course, intelligent. When I think of Mrs. Whiteleather it's always a memory of her smiling, as she so often did. I will never forget Mrs. Whiteleather and the positive impact she made on me and many of my classmates (she was well liked for good reason.) I'm sorry for leaving my memory of Mrs. Whiteleather so late. I always was late to everything, last one to enter the classroom and last one to leave it. I pray that God continues to give Mrs. Whiteleather's family and friends comfort and a sense of peace.

“ Mrs. Whiteleather was my 4th grade teacher. She was one I would never forget. She holds a special place in my heart. I remember when we would Come in from recess, and she would read to us. She would have her hot tea out on her desk and she would make her tea while reading to us. It was my best part of the day. I fell in love with the Secret Garden and Black Beauty because of her. I will miss you!
