“ *She was the greatest person I ever had in my life. All the times we sat together and watched her favorite shows or Hallmark movies, baked for holidays, had girl talk and just vented to each other about everything under the sun. I'm sure going to miss all of this and much more. She was sent to me to bless my life and that's what she did, now she's my angel up above. I love you nanny. I can't wait to see you again.*
