“ Kacey was working in ER when I met her. I had an irregular heartbeat and she was the 1st to attend to me. Very professional and helpful. She basically saved my life. Then several years later, she was an instrumental part in my life again on a whole other situation. She assisted me without hesitation. Kacey, you are gonna be dearly missed. Now I have to remember you longer than I knew you. Thoughts and prayers from my family to her family and friends.

“ I met Kacey on a trip through Europe. I was in college, and she was a senior in high school. She was funny and always fun to be around. I had not conversed with her in many years, sadly, as sometimes happens. She will be remembered fondly by myself, and I'm sure by whoever was blessed to know her. Rest easy friend.
