“ Many happy memories of my siblings and I taking turns staying a week with Aunt Karen, Uncle Jim, and cousins Judy and Jim. Going boating, and running around on all the hills. You and my mom were the best of friends and I am sure she was there with open arms ready to show you around heaven. RIP Aunt Karen, we love you and will miss you. Brenda Johnson

“ I have know Karen for almost 38+ years and have shared alot of memories - between our kids playing together and her sharing her knowledge of flowers. Karen was my first wife's sister-in-law and were best of friends before her passing. Throughout those years we leaned on each other for support. She was always there for anyone that needed her help. Rest in peace Karen - Heaven gained another angel.

“ While my brother and I were visiting with my aunt Karen for a week many decades ago in my youth, I have wonderful memories of sharing in amazing food especially desserts. Her apple squares were the best. I also have awesome memories of there being lots of laughter and joy while we played with the dogs, including one dog Corky who decided she wanted to get on the kitchen table while we were eating dinner. I still remember the laughter from that Moment and promising not to tell uncle Jim. Lol I also have great memories of hanging out with my two cousins Jimmy and Judy and doing lots of fun outside activities that involved no technology. After I lost my dad in 2017, I had wonderful conversations with aunt Karen reminiscing about her brother and my dad. I am very grateful for that special time we had conversing together and will treasure it forever. Rest In Peace.

Dear cousin Jim, I am so sorry to hear of Karen's passing. She was always a very sweet woman with a great laugh. I miss all of the wonderful family times at grandmas. I have a lot of fond memories of spending time with Uncle Homer and Aunt Estella at the farm in Medina. We couldn't have asked for better parents, aunts and uncles to watch over us. Hugs to all of you. When you need to get away... come visit June and me in Florida. She had major back surgery the end of June and had a rough recovery. Take care. Love you. Sandy

Going to miss my very special friend of 73 years. I have so many beautiful memories through school, church, her family and many years after. So glad we were able to stay in touch for so many years through cards and a few phone calls. Tried to pay you a visit on one of trips back to Ohio but couldn't find you, was so disappointed. Always know that you were in my thoughts and loved a lot. Thanks you for all the joy you brought to me with your laughter and kindness. Love you and will miss you my friend.
