“Karen Sue was the warmest, kindest, and friendliest person I think I ever met. Every time we would see each other, she was always smiling and eager for kisses and hugs. It did not matter the length of time between seeing each other, it was as if we had been together the night before. Always ready to talk of family, Karen Sue was the keeper of all knowledge. We could spend hours talking of Aunts, Uncles, Cousins, Brothers, and Sisters. She was a joy. We will miss her deeply. Our sympathy goes out to other members of the family who will miss her just as strongly.

“ Karla & Family and Bob & Family,

Our hearts go out to you for your loss. Karen Sue loved her children and grandchildren with all of her heart and was so very proud to call you hers. The love of family was always at the center of Karen's life from the time she was a little child. Her grandparents Ralph William and Laura Braden Whitis adored her and her brother Jimmy. So, it was not a surprise to our parents, that Karen grew up to be the loving caregiver for all who needed her and for all of us who were fortunate enough to be loved by her. Our parents, her Aunt Betty and Uncle Ralph looked forward to her drop-ins, to see her smiling face and catch-up on her family. She will live in our hearts forever and be remembered fondly for her love and devotion of family.
