“ I'll never forget the fascinating visits to Uncle Karl's butcher shop
when I was a kid. The big fridge for deer and the big saw! And who
could forget the car-chasing guard goose what lived in the pond
along the driveway!

“ Whenever someone comments that I am good at filleting a fish or
carving meat I always proudly say that I got that from my Uncle Karl
who was a butcher with all of his fingers!

“ I always loved visiting my Uncle Karl because he had a farm with some broken down barns which I was really fascinating to me. They had motor bikes and went hunting so it was like a different world to me.
