“ *What an honor to be born into such a wonderful family! I can't begin to say how much I love you all! I have memories that I will take along lifes journey of Grandma, memories that I will treasure for a life time. Grandma was my best friend, and growing up I longed to go to her house. So many memories I don't even know where to begin, the sleepovers, the dinners, the games played, the holidays, the trips that mean the most to me. My favorite being all the trips to Bowling Green, and stopping at Uncle Jays along the way. My one I remember the most was the trip taken with Grandma and Pope. We took Pope's little white car and me squeezed in the back, what a fun trip we had. I want to thank you Aunt Lynn, Dad, Uncle Jay, Gail, and Bobbie for taking such wonderful care of Grandma the last years of her life, I know Grandma loved you all so much! And you Aunt Lynn, you are an inspiration to me, and I love you dearly! You gave Grandma some of the best years of her life, I have looked up to you my whole life! I also want to congratulate you on your promotion, Grandma would of been so proud of you, yet again, she already was! I am grateful for the time I got to spend with her, her trips to Cambridge, and the time we got at Beckett House. I just hope one day I can give like you have already given so much of you! Grandma brought up a wonderful family, and I was lucky to be apart of it! I love you all so much!##imported-begin##Lynn Ellen##imported-end##*
