“ *"Aunt Kate was the baby of her family. She was a 'real' person and I loved her pazazz! Dad always included a visit to her home when we would be in town. She was a treasure. Condolences to my cousins and their families.*

“ *Condolences to my cousins, Jorja, Marsha and Susan. I will miss Aunt Kate and was so glad to have visited, shared pie and coffee with her, over the past few years. I have wonderful memories of her and my mother visiting me in Vermont. One would play the piano and the other one dance, then they'd switch. When they left for sight seeing I never knew what time they'd show up again but always with a great story to tell.*

Rest in peace, Aunt Kate

“ *Condolence and Blessing to family and friends of Aunt Kate. She always had a smile and a funny story to share. If you visited her there was always coffee waiting. Whether you just stop by to visit or stay over night the welcome mat was always out. I will miss her, but know that she is in a better place and I will see her again.*

“ Kay has been on my mind lately & wanted so much to talk to her...she & i bowled together at Capitol & King Pin & I dearly loved her. Every year when i put my Christmas decorations I think of her. She gave me a church that lights up & i always put it under my tree. She will be missed by many.
