“ MR Sarchet , Met your wife when I pulled over
a car for speeding and she was a passenger. It
was a fun time since the other three in car were
either teachers or wives of teachers !
Your family meant a lot to us in HS years even
though you don't realize until later in life. CHS

“ *My deepest sympathies to Kay’s family. I will always remember her
as the dynamo woman, full of energy, getting things done,
especially with her companion Doris Gillespie at the Berger Hospital
gift shop. Rest in Peace, Kay.*

“ *I met Kay (and Paul) when they lived across the street from my
then-in-laws, John and Deanne Roll. I have many fond memories of
time spent together, and just saw them both in May at services for
Deanne. “Goodbyes” like this are always hard. Rest easy sweet

*Misty and Todd,
I'm so sorry for your loss. Your parents were 2nd parents to me growing up. Losing a parent is a horrible thing and I can't believe we have lost another one.
If there is anything I can do please let me know. She was and always will be very special to me.
Love ya Misty!*

“ I remember Kay so well from all the things she did with my mom like bridge club and the hospital gift shop, working at the store with my parents and me, seeing her at Broadway series shows and so much more. Sending my sympathy and love to Paul, Misty and Todd and all the rest of her family and friends from my dad and me.
