I hope you knew that I loved you with all of my heart. I hope that you are happy and at peace. I know Bubba and Pappie will take good care of you. Rest in peace my beautiful girl! Love, Mommy

“ *My sweet, beautiful granddaughter, how I miss you, that beautiful smile that could light up anyone's heart, that sense of humor that not everyone was able to get (but her family did), and the sweetness you showed to everyone. I will join you someday. Be happy with Bubba.. Shine that smile in our direction so that we might heal a little. Tell Nanny, Pop, Pappie, Uncle Jim, Julie and the rest of our family that we miss them and love them. My sweet, sweet girl! How am I ever going to be the same without you? I want to "shop till we drop" again...we've done that since you were a baby..we would shop and you would usually drop. I will never be able to look at a tie-dyed shirt..or a peace sign or anything pink again without seeing your beautiful face and hearing you say "look at this Gram isn't it pretty?" I love you so very much my babygirl and there is a hole in my heart. Rest in peace and know that you are still very loved. Grammie XO*

“ There are no words that can express how much I love you Kelsi, you were like my little girl. You are as close to a little girl that I will ever have. My life was much better when you were around, and now it feels so useless. You always made me smile and laugh! I will forever cherish the times we had together, from the time you were a toddler and called out JJ , and followed me every where I went. You even made me laugh when you were 2 yrs old and I dressed you as Cher and you sang " I Got You Babe" and never missed a word. You were always a step ahead of the rest of the world! I guess you were just too special for earth and god has very big plans for you!! No matter how long I live or where I go you will always be that special little girl following me around! You were a gift to us all, and we are all blessed to have had you in our lives. Love Jason (uncle Jason) your brother from another mother! Jason DeVore

“ *My sister was my bestfriend. Her and I grew so close during her sophomore year of highschool, and didn't leave eachothers side much after that. Everyone would think that once Bubba was in the picture she'd boot me out, but that didn't happen at all. actually Bubba [or as I always call him, Bubby] grew to be my brother. They were just perfect for eacother, and the male & female versions of eachother. When I got paid if we had the day off, we'd go to Bdubs, or somewhere to eat - then we'd all just hangout. It never failed all we could do was laugh together. We'd go to Bubba's in the summer to swim and "Toss the pig skin". I just don't know what to do without my sister, please keep praying for Bubby.
I love you sisserbug,*

<3 always, Taytie-buggy.

When I Go Away
By Rev. Victoria A. Witt

When I go away will you remember me?
The one who brought forth many colors of life.
There within you the question lies unanswered.
It's like...
Leaving The Book Of Life, open.
Looking through it to find the answer.

I am not really away.
But live within the walls of your mind...
That has many rooms to stay.
I will be there to give you a smile and lots
of joy of memories I left you.
I will never go away as long as you remember.

God Bless The Family and Friends

Keisi Leigh-Ann Moore
