“ It's been almost 2 months since you passed papaw. It feels like it was just yesterday when you had your last breath. My and everyone's hearts are still heavy with you being gone. We all miss and love you. The other day I found this picture of you and granny.

“ Papaw, my closest grandfather. You enjoyed life, were a good man to all and taught me many things. I will never forget our trips, vacations, watching you cut/ bail the hay and check the cows. We went berry picking in the back field and I was miserable and hot but you just wanted to spend time with me and get berries to eat. I am thankful for the swings in the big tree you made me that I enjoyed so much. You brought me a lot of happiness and was always an understanding ear followed by your endless wisdom. Definitely a man of wisdom. Then in my later adult years you took me under your wing during one of the hardest times of my life. I am thankful for that year and your generous care and getting to know you more and hopefully I brought some sunshine into your life as well. I will treasure all the memories of you and Gran and the family forever. T

We will always be connected in spirit, it's not goodbye but see you soon.

Love you always-Jennifer
