“ So sad to just find out Kenny has passed. He was a class act!!! I have had the pleasure to do work with him and I was also a business owner back in the early 2000's. Even though we competed in the area, we also worked together and helped each other on projects. That is what I call an asset to the Cambridge community! I will miss him more than anyone could imagine! May God be with you and your family during this time of grief and help heal your sorrow! RIP Kenny!

“ I am sorry I could not make calling hours but my newest great grandson was on his own schedule in the labor room. Kenny was a good guy who always seemed to find a way to roll with the punches. I was so grateful to him and his family for being so kind to my special needs grandson when we would see them at a eatery. My grandson still has a picture of Kenny or his buddy as he called him on his Ipad and will tell me going into Dennys that he hopes his buddy will be there. Jhett and I send our best to the Mathews family. May you find comfort in the many good memories.

“ It broke my heart to hear of Kenny’s passing. To the Mathews family, my heartfelt sympathy and condolences go out to you during your time of loss. I treasure the many enjoyable conversations I’ve had with Kenny and Gig-A-Bytes over the years, as well as the neat memories we shared when I would encounter him and his family dining in one of the local restaurants. Thanks to Kenny and his wonderful family, no matter where I might be cruising in the world, I’m proud to say that Gig-A-Bytes has always been my “One Stop Computer Shop”. No matter how busy Kenny was, he always took time to share his expertise and knowledge to help me, and I’m sure countless others, with any computer concerns. That’s the type of person he was; thoughtful, caring and friendly. Kenny will certainly be missed and my thoughts and prayers are with the Mathews family.

Sincerely,

Gordon Hough

“ 😞 *During the mid 70's we lived on Creston Road two doors over from Kenny. Kenny was a teenager. It was a fall night about this time of year. I heard noises outside. I went out and found Kenny soaping windows and he had toilet papered the tree in the front yard. He grinned at me and said, "You caught me." The next day he was washing windows while his dad and I watched. A good friend who will be missed! 😞*
