“ I was friends with Kent in high school. Kent, Alison Dye, Harry Kallipolitis and I had a lot of fun and a lot of laughs together. It saddens me that we all lost touch after high school. Kent was a wonderful person and was so funny and kind to everyone. May God bless and comfort your family in this time of loss. Rest in peace sweet Kent.

“ I met Kent as a teen. My family would go into Wendy's a lot. Kent was always friendly and had something funny to say. He was one of my first managers there when I turned 16. He always had us laughing, even when we were busy and scrambling to keep the customers happy. My mom, Mollie, thought of Kent like a brother and would stop wherever he worked over the years to check in on him. She always told me when she saw him. I guess they get to meet up again, now that they have both passed. Kent, thanks for the laughs we once shared. I will always remember you with a smile. Rest in peace. Thoughts and prayers to your family.

“ Kent was a beautiful person. He was a protector of those that could not defend themselves. I carried Kent with me in my heart everywhere I went because he took time to pour into my life. Kent was my protector, when I needed an adult friend. It was an unconventional friendship but it was true. He was a joy to this world. His smile brought hope to many. His light hearted way of dealing with life made life a little bit better for everyone around him. He loved everyone, which is a painful thing to do when people don't know how to love back. But, he loved anyways. We often talked about life, faith, and God. I know that He loved Jesus. I know that I will see Him again when my day comes. Rest in peace my dear friend. The world is a bit dimmer without your light shining with us. -
