“ Love you papsi... it's been a while since you passed. I was just sitting here, watching the kids play and started thinking about you.. I love you and miss you very much

“ A true friend and second family. He was always there to listen, laugh, and help when needed. He made sure he always had cookies for the kids when they would come down to see him. He was my best friend. We spent a lot of time together and shared a lot of memories over the last few years. He is greatly loved and missed.

“ As youngsters we made many memories. Some we could talk about....others, not so much. :) I wish that relationship could have been extended into adulthood but our lives sometimes get in the way. Prayers for your family.
