“ Tim and Kathy, Can't begin to know the loss your family is feeling. We are so very sorry to hear about Laura. We will keep her and your family in our prayers, hoping that God will give all of you strength and understanding for taking her back to her heavenly home so early in her life. We were so impressed with her children at the June park dance, they were helping to sell 50/50 tickets and kept coming around to ask if we wanted to buy some, we did of course. They were so darling, smiling alot and not afraid to talk to us. We didn't know who they were until almost the end of the dance when they sat down to eat pizza next to Grandma and their dad. Our hearts go out to those little ones too. Life isn't fair a lot of times, just praying that your family and friends will help get you through till your heart can heal.

“ *I had the very distinct pleasure of helping coach Callahan with the girls volleyball team and it was a honor to be able to see the girls. Laura shines bright with those girls and Bennett what a great young man my daughter Claire always brags how wonderful he is. My heart sinks for the Calvert family. God bless*

“ I first met Laura by knowing her mother Jenny. I remember this spunky and funny teenage girl. Always full of unique ideas and energy! Through the years we lost touch and I was pleasantly surprised when she registered me recently for my procedure at the Health Plex. She told me of her family and I could see the love for you in her eyes straight to her soul. I wish for your family courage and love and God's hugs through your many friends and family. I don't pretend to know your pain right now. May you Rest In Peace beautiful girl. 💕🙏

“ Sending my deepest and most sincere condolences to Laura’s entire family but especially her husband Bill and 3 precious children. Laura and I never got the opportunity to actually meet in person but we bonded over loss and then again when we were pregnant with our rainbow babies. She helped me get through some really hard days in my life and I will cherish that forever. Rest In Peace 💜

“ *The funnest memories I have of Laura was we were about 14/15 and went to a youth group overnight. We thought we were so cool staying at the hotel and going to see a (Christian) rock concert. We stayed up most of the night in the hallway talking and just being teenage girls! My heart is breaking for everyone effected by this tragic loss. RIP beautiful angel!*
