“ I am late to this wall but I remember Lauren well. She was a beautiful, smart and talented young lady. I remember the night before she was born. I took Lynn to a scary movie and she nearly had Lauren then and there. I am proud Lauren Marie was named after me and that I was allowed to be her Godmother. Baby, I will think of you until I see you again at the end of my days.

Forever,
Marie Crider

“ Dear Lynn,
I am so sorry to hear of the loss of your daughter Lauren. I haven't seen her for a few years, but I always thought she was so beautiful and talented. You were always so proud of her. I remember one time when you and Lauren were at CPAC and we were chatting, you would beam just looking at her. The loss is more than I can imagine, I just wanted you to know that I was thinking of you and her and all the love that you have for each other. Lauren will be deeply missed by many, but not as much as you. Take care and God bless you and your family. You are in my prayers.
Love to you all,

“ Lynne,

Beeg and I are so sorry to hear about Lauren. I can't even express the sadness we feel. She was a beautiful, talented girl. I remember when you and I were taking classes at OU just about every campus right? and Lauren would be hanging out waiting for you. She was so proud of you and just seemed to idolize you and all your hard work. Try to take comfort in your memories of all the wonderful times the two of you shared. Our thoughts and prayers are with you.

“ Lynne, I'm so very sorry about your loss. I so much enjoyed being in class with Lauren last summer at Zane State. She was very bright and not a bit intimidated to share her thoughts with us older folks. If there is anything I can do for you, please don't hesitate to call on me. Once again, my thoughts and prayers are with you and your family for your strenght, comfort and healing.
