“ Sis,

it has been a year since you left us here to grieve your loss. We all miss and love you so much. I can not eat chips and dip without thinking of you. How we would play yahtzee, eat Wavy Lays and dip, I would drink water, pop or beer but you always had coffee!! I can not hear about Bigfoot without thinking of you and your bigfoot stories. I miss your smile, your advice, your optimism no matter how bad things were. More than anything I miss you here in our lives. Love you more than I can say. I am sure you know by now that Victor Dad left us as well, exactly one year after you. It has been a tough year here without you.

“ We want Laurie's family to know how sorry we are for their loss. Laurie was our waitress many times at the Forum, and our favorite. She was a very thoughtful, sweet, and uplifting person. I don't think she ever waited on us that she didn't make us laugh. We will miss her, as we know many will. She was truly special. Her family is in our thoughts and prayers. Dave & Lynn Marks

“ Laurie was one tough cookie! She brought a smile to the faces of everyone around with all her crazy remarks! I can't count how many times she tried to convince me that Dad & Joyce's house in Attica was haunted. haha Definitely a very strong and absolutely enjoyable person! I hope that she is at total peace now, because she of anyone deserves it!!

“ Laurie was always smiling and always optimistic. When my husband was sick Laurie said she was in remission and had been for quite some time. She told me how she did it and by the time we were done talking, I had a new determination. She was very uplifting to me and my husband. He didn't make it, but Laurie made that period of my life more bearable and I will always be grateful and I will miss her so much. Rest in the arms of Jesus, Sis. Save me a place. I love you.

“ *My sister was a beautiful person inside and out. Anyone that met her saw that. Headstrong until the end, she always did things her way, and we loved her for that. She was loyal and devoted to family and friends. She will be truly missed, she was one of a kind.*

Laurie - I remember some very fond memories growing up on the farm "playing" with you, Bob, and Joyce! One of the best memories was when Grandma would save her big cardboard boxes and we'd eat pizza inside those boxes and then roll down the steep front bank in front of the house (Grandma too) and play for hours; oh what fun that was!! I'll never forget the day Grandma told you to use the outhouse to go the bathroom while you were playing outside. We watched you fling open the door, walk inside, you took one look down that hole and came running to the door screaming that there was a bug with no legs down that hole!! (Snake I guess; but I never went back either! LOL!) I was your aunt but also became your sister in-law once you and Dave married. We shared many birthday parties for our kids at each others houses. I remember when you came over to help me with Jamie's 1st birthday cake (it was a bear) It turned out beautiful because of you - we were up till 1:00 a.m. that March 12th making/decorating that cake! All of our talks, laughs, and even tears I will never forget - I miss you terribly already but at the same time I'm glad that you are no longer in pain and now with you mom, my mom, your grandpa Reed, your brother and many other loved ones who have gone before. I will be there for your kids/granddaughter as much as they need me - I will never forget you and you will always have a major place in my heart!! - Love You Dearly - Aunt Deb

“ Laurie was the kind of person that if you met her once you would remember her forever. She always wore a smile , backed up with a zest for life that would never give up. She had many struggles in life and met them all head on. Her childlike faith, headstrong ways and life too soon taken, left a hole in my heart that will never be filled. I will miss you till I see you again Laurie, you were an awesome sister and friend. I love you, Bob.

“ *My sympathies go out to you who were her closest family and friends. She was always kind to me and gave us great service at The Forum. Last winter she gave me a lovely thank you card for a very small deed. I will miss her as I pass through her neighborhood. May God comfort you when the waves of grief roll.*
