“ I worked with Linda for many years at The Longaberger Company. She always made the day fun while working. She could be seen dancing her way to the breakroom and doing her QA of handles with a sway to her hips. She was lots of fun to be around. Rest In Peace Linda. I can see you dancing in heaven and having a great time there. Many prayers for her family.

“ Growing up, I just new I had the best mom in the world. We woke up singing, "You Are My Sunshine" together, did homework and received the occasional Snickers as treats and rode our bicycles downtown to see dad at work and we always had to stop off for a vanilla float. At Christmas time, we would bake and decorate enough sugar cookies with mom that could feed our entire block! My mom always showered us with love and her family was always at the center of her priorities. That strong devotion continued throughout our adult lives. Mom, we love you and will miss you dearly. It warms our heart though knowing you are at peace now and with dad in Heaven. Until we meet again my sweet mom and Mema... Dawn Marks

“ We were neighbors for all of my childhood. One day I was at the bottom of the hill in severe pain. When I was 6 years old, Susie carried me up the hill while we were walking home from school.. She was in high school and heard me telling Judy that I couldn't make it. I ended up having emergency surgery. I still remember how hard it was for her to carry me for what seemed like the longest journey of my life!
