*Wow I just came across this article. I'm so sorry to hear hear about Lisa passing. I went to school with her. Then later worked with her at Sycon. She was a nice lady & very jolly. I remember teasing her about Wizzard Of Oz. She didn't like that show. So I'd whistle down the yellow brick road. We party together & go shopping. She is greatly missed by many. She's in HEAVEN with my husband Barry who she also worked with. RIP Lisa Lisa. I'll always have good memories of you.*

“ *I worked with Lisa many years ago. She use to eat lunch with me and my now husband. She was always a pleasure to talk to. A warm friendly lady. After I quit my job, I would see her in Cambridge and she was still that same lovely person I got to know at our job. Will miss seeing her. With deepest sympathy on your loss. -Sincerely, Veronica*
