“ As I opened my eyes this morning...I realized that life still goes on...but lately my life has no meaning...because you are gone. A life that ended to early...made my world fall apart. And now I am left here without you...with sadness and pain in my heart. Gone to soon you had left me...you took the stars and the moon. The sun doesn't shine like it use to...because you were gone to soon. I put on a brave face for others...I try to be strong amongst friends...but I am still thinking about you...as yet another day ends.I know this hurt I am feeling...will never get better again...you have left such an emptiness...now filled with sorrow and pain. I cry when I think about you...I cry for you to be near...I cry when I see your picture...I cry because you are not here. Gone to soon were the good times...it's something like bursting a balloon...for one minute it is there before you...and the next it is gone to soon. I love you Lorie forever and ever and a day.

“ Well Babe ...it was a year ago today that you left us. We all miss you terribly.I will not ever let your memory fade away. You are in my heart forever and ever and a day just as I promised.I hope that when God is ready he will join us again.Life here without you just isn't worth living.If I thought there was any way for us to be together now,I would surely choose it.I miss you Babe,I love you Babe.Hugs and kisses are sent to heaven for you .

“Wow...i dont know what to say or where to begin. I was so upset inside when i heard that you were gone. I didnt think that writing you would be so difficult, you helped me in so many ways and you gave me so much great advice that got me out of so many hard times and you always was there for me no matter what stupid decision i made. Im so sorry for not keeping in touch with you like you asked me to and now i wish i would have.....man we had some good heart to hearts huh and you always made me look at things differently and set me straight by the end of every one of them whether i liked it or not. Im not sure how many peoples lives you touched but I know for sure you touched mine and i will never forget you. I will keep your family in my prayers even though i know you are with them everyday ,you were to loving and caring not to be. You were like a mother to me in so many ways and i love you for that you got me threw times when no one else showed they cared. I will never forget you xoxoxo

She had nothing bad to say about her. I hope heaven is as good as everyone makes it out to be. You are in a much better place now and you will be missed by MANY!!! Gone but NEVER forgotton!
