“ Please accept my deepest sympathy on the loss of your husband and father. Death is so difficult to deal with, but the scriptures provide us with hope for the future. Jesus promises at John 11:25 that he is "...the resurrection..." It\'s wonderful to know that Jesus has the power to bring back our loved ones from the dead. In the meantime, may the hope of seeing your dear husband and father again, as well as your fond memories, bring a measure of comfort to you and your family.##imported-begin##Sandy Sloane##imported-end##
