*We will miss mom grandmavery much.We have alot of wonderful memories and pictures to share with everyone. She is always in our thoughts and prayers.The kids and I will miss her alot.I had so many good time with her that I could go on and on. The best one to share with you is when Beth and I and mom went to the lake with the boat that she loved so well. It was just the three of us girls soaking up the sun.Well to make a long story short we decided to put on our own fashion show on the boat. It was the funniest thing you could ever see.Mom Beth and we laughed so hard we cried.I got to spend alot of time with her throughout the 20 some years I was in the family.She taught me alot about how important family was.The kids are proud to of had her for there grandmother. And I was honored to have her as a Mother In Law. We are sorry that we couldnt be with you all in your time of sorrow,but you all will remain in our thoughts and prayers.Mom grandma We Love and miss You.!!
