*I met Lori in 1999 and she was one of the sweetest people I ever knew. We had many things in common, cooking, baking, staying busy/multi-tasking and a love for animals. I remember the day she got her dog "Teddy" (14 years ago) and how much she loved her and spoiled her rotten! In fact, we would often run into each other at our Veterinarians office where she would take Teddy for her weekly bath, aka "spa day!" And even if we were in a hurry we would always take a little bit of time to sit and chat with each other. I will miss her terribly but I will honor her by visiting Teddy at the Vet's office while they are trying to find her a new home. I will give Teddy a big hug and a kiss for you Lori. Rest peacefully, dear friend. You are missed and loved by many.*

*I meet Lori through a contractor that she worked for. She was a sweet lady. She loved my dog Harvey and always had a treat for him when I came by the office. We often talked about her dog Teddy and our love for animals and our faith in God. After she shared with me about her cancer, we prayed many times together. She has and will be greatly missed, and I look forward to meeting her in heaven someday.*
