“ Louise, Shorty and Sharon will always be a part of my years growing up in Cambridge. Louise was a great cook and I remember making homemade donuts with a huge pot of bubbling oil with her and Sharon. Louise sewed Sharon and me Hawaiian dresses and we danced the hula for one of Louise's ladies groups! I loved going to Shorty's baseball games at the City Park with the Williams family also. I am sure Louise and Shorty are content now having each other again. Sending strength to Sharon. Jan Cain Castle

Condolences to Sharon and her family. Louise and Shorty were in school with my parents (Bud and Joan) - must have been 80 years ago. They all spent lives supporting their families and friends and making Guernsey County a better place. It was always special seeing Louise and Shorty at various baseball and basketball games. Love and Prayers for the family, Paul Miller
