“ We are so sorry to read this. I was just telling the story of our lunch break at Barb's the day the Charlie Daniels Band pulled in . They came in we were so impressed except at that time we had not even heard of him, was not long till "Devil Went Down to Georgiy" told us what we has missed. I never got to tell her I got my picture taken on a stage while he was performing. Of all the jobs a people I worked with she had to be the best. The best was when she told me her age one day and I told her she could not be and then not sure 2-3 yrs later when she went for s's she found out she was younger, oh how we laughed. To the family she was a very sweet lady and was special. Love kenny and sue wallace
