“ All good memories Mabel... playing Scrabble, cards, working on so many projects.... just being together and laughing. I was 17 years old when I met you, the life lessons you taught me over the years are too many to count, the love you shared immeasurable. I will always be grateful that you came into my life. Memories of your kindness, your humor, your truly giving spirit, of you, are held close, that will never change. Thank You so much for it all!

“ To Diane and family,
My full sympathy is with you at this time. Although I didn't know Mabel, in reading about her and in just knowing Diane, I know she was a wonderful, kind hearted, well liked lady and will be missed by everyone who knows her. I am truly sorry.
