“ When I?m down when my soul?s in need of rest
Come your words of comfort and of hope
I see your face always smiling back at me
A stream of light shining straight to the heart
Child of god, child of light
There?ll be no more lonely nights
Cause you have brightened up my life
There?s a road that leads me to this place
A path of love running straight to the heart
Over the years I?ve learned one important thing
It?s that friends family shall never truly be apart
You were there in my darkest time of need
With a hand reaching straight to the heart
Child of god, child of light
There?ll be no more lonely nights
Cause you have brightened up my life
Take this gift, it is all I have to give
A prayer of love forever straight to the heart##imported-begin##Jon

“ *Hi Cabot, Tom, Randy & Families,*

Our prayers are with you during this emotional time.

Your Mother was one of our favorites, and she is now at peace and breathing perfectly.

We stopped to see her quite often, as my Aunt is out at the Health Care Center.

Beta Sigma Phi was very important to your Mother, and many wonderful memories come from our years together.

Your Mother was a loving and giving lady, and she will be so missed by all who loved and knew her.

Our prayers are with all of you. Warmly, Sandy & Larry##imported-begin##Sandy & Larry West##imported-end##
