“ Michelle,
I pray for you and your family in your loss and know how it feels i
lost my Dad, my bestfriend and business partner not long ago and
there will always be a void and will always miss him but just know
that they are in a better place and will always be in our hearts, and
someday we will be with them and we will no longer be sad and
hurt. Til then we have to live our lives and be the best we can be
and always remember what our loved ones have taught us and the
values the have passed on to us and to share the same values with
others and never lose our way to someday when our time comes to
be with them again
sincerely

“ You have my deepest sympathies on your loss... I lost my parents in
2008 and 2009 and can empathize with your heartbreak.

I am a distant relative through Madelyn's Springer ancestors; I was
doing Springer research and came across this notice.

“ Jeanette, Burdella, Jerome, Art, Louella, and Harry, Julie and I want to extend our deepest sympathies in the passing of your Mother. She is the last of our family's parent generation and it is an extremely sad occurrence. However, I know she was ready and is now in Heaven with Stewart and the rest of that great group where they were waiting to greet her. So we are saddened by her leaving us, but we are grateful to know where she has gone. We will pray for God's tender mercy to all of you in your hour of need.
May God Bless you all.

Sincerely,

Jack and Julie##imported-begin##Jack Timpe##imported-end##
