“ *The Stover family send love and prayers to your family. Aunt Maggie was wonderful to me and my family through the years and our mother Marge Stover's dear life time friend. We're so very sorry for your loss of an amazing woman! Tears!*

My most amazing memory of Aunt Maggie was visiting and her love and laughter. I was treated like one of her children as well as my siblings, Vic, Kathy, Heidi, and Heather. She attended our weddings and a hostess at Kathy's wedding. She was so loved and will be missed so very much. Love, Holly Stover Moore

“ *Just like my siblings have said. Maggie was one of my Momma's best friends, and I have so many fond memories of Maggie. Not only was she Momma's friend, she was our friend, and family. The memories of the two of them baking together, especially at Christmas time. Laughing, crying, and the long phone calls until one of them would fall asleep then wake up laugh and pick up right where they left off.*

We will miss her, but I know that there will be no more pain and suffering. Give Momma and Dad a kiss for me. Fly high Maggie, and until we meet again. Love you!

“ *Maggie was one of the sweetest ladies I have known. When I came into the Clark family, she was kind to me from the first day I met her. She had the sweetest smile and eyes that smiled just as bright! You will be missed. Love ❤️ you!*

“ Maggie was more than my Mommas best friend, she was a family friend . I can still recall all the fun times her and momma had baking , laughing even crying. When I visited her last at Grant Hospital in Columbus we talked about her best friend Jean "Momma" and I looked over and Maggie was crying and she said why did she have to leave me? As I held her hand and my eyes filled up with tears,I said it was her time and I said she was tired . As I think about that day I know Maggie could relate as she was tired . Well they are now together and resting in heaven with her family and friends who have been waiting on Dear Maggie . You are gone but will never be forgotten. I love you

“ I just wanted to take a minute and give thanks to Maggie Sowinski for being such a huge part of The Clark family.

Maggie and my mom were the best of friends for as long as I can remember.

Maggie and Mom were always there for each other and Maggie was always there for our family.

So many great memories of Maggie being right in the middle of our family functions just like mom and dad always wanted her to be.

Maggie you will be greatly missed but as I have been saying all day, what a true blessing you were not only to mom but to our entire family.

I am just one voice but I am sure that you knew that not only us kids but our entire family claimed you as one of us.

I remember hearing a story of when Dad was in the hospital, he was really sick and they were only letting family in. You came to visit him and dad told them, "can't you see, that is my sister."

Much Love Maggie!! You will be remembered with a smile and nothing but kind words.
