“ *I want to offer my condolences to the Watson
family. It has been a long time since. we all
spent time together. I think of Margie a lot. We
were great friends but life got into the way.
Even though we lived nearby. Over the years I
have only seen Jane but I always asked how her Mom was doing.
Margie was a great and fun person and never knew a stranger. So
sorry for your loss. Judy Dailey*
