“ Judy and family, I am so very sorry for your loss. My daughter, Diane and I were just thinking it was about time we come and visit Marjie and when I did a quick search to see where she might be living I found her obituary. Had we known she had passed we would have come for her funeral. We often spoke lovingly of her but life kept getting in the way. Words just don't seem enough to express how I feel in not being there for her. She was such a gem. She graciously placed a beautiful memorial on her sister, Dollie's grave every year while she was able. Just know that we loved her very much and missed not seeing her. Our hearts are heavy for your and our loss. Rest assured she is watching over your family and spending time with her family who have passed before her. Blessed in the Healing Love of Jesus Christ. With love, Karen (widow of Danny) Shear and family.
