“ *Marge was a long-time and much beloved member of the Guernsey County Senior Citizens Center. Under her leadership the Guernsey County Senior Center Quilting group graciously donated their time and quilting earnings to support the senior center's mission of serving older adults as well as our many programs and services. She was loved very much by our administration and staff and she will be deeply missed. She was a kind hearted, loving, tiny woman, but had a big caring and tender heart. She was one of the first seniors to welcome me as the new senior center director back in 2001 and I own a quilt she personally stiched and made by sewing one stitch at a time...I will always cherish Marge and the many fun times and conversations we shared together at the Senior Center. On behalf of the Board of Directors, Administration, & Staff of the Senior Center we extend our heartfelt thoughts and prayers to Marjorie's family, friends, and senior center quilting sisters. God acquired an angel that was already trained...With Deepest Sympathies & Love, Shon E. Gress, Executive Director, Guernsey County Senior Center.*

“ We will miss Margey, she lived across the road from us as kids. She liked to play chinese checkers with me and would take me on the weekend to Steubenvillet to visit her sister Julia. She was a nice lady to have known. God will look after you. Marcia (Larrick) Scheffler

“ So,sorry to hear of the loss of margey, she was my neighbor for years used to stay the night and play games with her. Then she hired me to mow that want my first job and you had better do it the way she wanted or you would have to do it again ,I guess thats where I got my work ethics from her. I will miss her. But I know she is in a better place heaven looking down on us all.

MISS YOU
