“ Mom just let me know of your mom's passing. I have so many incredible memories of my 4-H days with your mom (and your dad - your entire family really!). What a wonderful woman your mom was. I just loved her. She was like a mom to all us 4-H kids; keeping everyone in line and loving not just the programs but everyone involved. She was a very special lady whom I have nothing but the fondest memories of. I love your family and am praying for you all as you grieve. Many blessings. Molly (McCarty) Petrey

And she also knows the answers to so many of the the questions (WHY?) we ask God. Try to remember all of the wonderful special times! Love Ronni and Mark*

“ Billy I'm so sorry to hear about your mother. My Daughter and her family have moved in with me and I'm so glad they did because I had a heart attack soon after that so I'm mending. I don't think I'll get to the funeral home but just know I'll be praying for and thinking of you. Your mom and dad are together now and very happy.
