“ We are so saddened by the loss of our dear Aunt Marjorie but at the same time, happy that she is now free of pain and reunited with Uncle Dick, Dad, Grandpa and Grandma. So thankful for Evelyn who went to be with her nearly every day for the 4 years she has been struggling in various facilities near them. I know Rodney, Larry and Sean will miss that wonderful laugh, sense of humor, caring nature, and great cooking that she always brought to the table. You are all in our thoughts and prayers.

“ Marjorie and her brother Glenn tried to teach my sister Dale and I how to ski downhill on grandpa's farm. The two of them were really good. Dale and I fell down the minute we put the ski's on and couldn't get up. We all rolled in the snow laughing. Marjorie had a beautiful laugh. So sorry she had to get so ill. God bless.

“*Marjorie was my great aunt. She had a soft, kind, beautiful southern voice. I loved listening to her talk. I've inherited her famous recipe for Strawberry Pretzel Salad which lives on each family holiday. I also remember looking through family pictures from her younger years and being in Awe of just how beautiful she was as a young woman. I wish i could have known her better, but I'm thankful for the days I did spend with her.*

“*Marjorie and I were cousins. I didn't get to see her near enough, but we would talk on the phone. We would talk about things that were going on, such as having dog parties with the neighbor and family history. We could talk until the batteries went dead on our phones. There were funny stories and a lot of laughs and the conversation always ended with "love you." Marjorie always had such joy in her heart.*

My heartfelt sympathy to you Rodney, Evelyn, Larry and Sean. Marjorie was wonderful and I know she will be missed.

Oh dear Aunt Marjorie. We are so saddened by your loss, but as Jane said, joyful that your life journey has come to an end and that you are now in your eternal home, so happy and free from the trials of this world.. You were truly a very special aunt, and I am sorry that we weren't able to visit with you more often than we did. Looking forward to spending time with you on the other side. Leah won't be here for Christmas, but I will be making your pretzel salad in her place this year, and will think of you each time we make it. To Rod, Evelyn, Larry, Gus & Sean, I am so sorry for your loss, and am praying that you bring yourselves comfort and healing by dwelling on all the wonderful memories you have of her and your dad. There was no shortage of fun and laughs around them They were truly special people, and will be missed.

Marjorie was a dear sweet friend. We went to high school together. Our children were born about the same time. I will surely miss her. Shirley Berstler Hutzel
