*Mark you were the most generous man that ever crossed our path. I hate the reason that we met was because we lost our children. At least you will be there to keep them in line. Rest easy. Kiss my girl for me. See you on the other side. Darren and Jill*

*I've known Mark from when he originally moved to Ohio from California and lived on Gumber Ave. We became friends at a very young age, and went to skewl together. I known his whole family and this is something that I just found out. Mark was a good man, always with humor to cheer anyone up, wished I would have stopped in before leaving Ohio, Your Journey has just begun into the Heavens, R.I.P. Brother.....*
