“ I met Martha while working at Cambridge Heights Apartments. She was funny, sharp witted, and a joy to be with. She, always came with cookies and kindness. She and Hank were so good to the residents bringing delicious food to holiday dinners, sharing their faith and love for genealogy. I was blessed to know them.

Mary, I love the Ohio State hat your mom made! I keep the scarf she made in my hockey bag for warmth at the hockey games when watching the grandsons play. The saying, "from the knitting needles of Martha Wendorf" inside the scarf is perfect. Martha certainly was talented. Love to you, Marvin, and the Wendorf family!
