“ My thoughts and prayers are with Marty's family. Although I've been away from Ohio and have not seen Marty for many years, I remember his great sense of humor, fighting spirit, and many fond memories of a guy who never let his disability get him down. Rest in peace, Marty, and keep 'em laughing in heaven.##imported-begin##Paul Stempko##imported-end##

“ I am truly sorry for your loss of a wonderful person. I am sorry that I could not be there for the family. I worked for Marty for only a couple of months, but in that couple of months I learned how strong one person can be. He taught me that no matter what your capabilities are you can do and be whatever you want. From the short time I knew him he always made me laugh. And I knew he was loved by many. My prayers are with all of you.##imported-begin##Andrea Hagans##imported-end##

“ Dear Vi and family,
I was so saddened to discover the reason I had not seen you in class for a while. What a devastating loss for your family. I know the love and comfort of your family and friends, along with grace from God will help you during this painful separation from your son. Vi, you give so much of yourself to others, I hope it comes back to you a hundredfold at this time when you need it most.
With sincere sympathy and prayer,
