“ My condolences go out to you for your lost. May you continue to find comfort in the hope in God's Word the Bible. This hope is found at John 11:25,26 where Jesus said he that exercised faith in him even though they die will come to life and those living will never die at all, Do you believe this? May you have faith in this hope of the resurrection knowing that you will see your loved one again. When we search the Bible for hope we learn about Jehovah God's promises of comfort and hope. We too have a hope of not just living temporarily but forever at Psalms 37:11,29 it said that the righteous will possess the earth and live forever upon it in peace, so no longer will we worry about sickness and death very soon we will enjoy everlasting life and live in peace. Please continue to look to the Bible's promises for hope now and in the future and to see more scriptures about the wonderful blessings soon to come contact me via e-mail at: Derektamala@bellsouth.net##imported-begin##Tamala##imported-end##
