“ *Theresa and Family,
Can't begin to tell you how much I respected your dad. those days working at NCR when I had to ask your dad for help in locating some parts in the factory, his willingness and patience and pleasant attitude made everyone's job that much more easier. He was a man who you looked forward to seeing every day. He was one of those men who actually made working at NCR a real "family atmosphere". He will be missed by all of us. Our thoughts and prayers to you and your family,
love,

“ *One of the sweetest men I have ever had the pleasure of knowing. Such great memories of love and friendship over the years. And what a fighter he was. Rest in sweet peace my dear, dear friend. The patriarch of a beautiful and love filled family that will surely miss your presence. The front porch at 609 Clark St. will never be the same without you and your lovely sitting there with your feet up in the summer time.*

To the family: You are surely grieving, but remember how fortunate you have been for the length of Marvin's life. Your children and grandchildren have known their grandfather and their lives are richer because of that.

Know where I am if you need anything in the coming days....

*With Much Love,
Kathy Bennett Calvert.*
