“ Gracie, I am so sorry to hear of Don\'s passing...It is with a heavy heart that I heard this news..It certainly brings back so many wonderful memories..all of which were fun and lots of great times. I had no ideal that he was suffering so...and he was a great guy and always made us laugh...but could never convince Mom, we ran out of gas that much or had that many flat tires.....
My prayers are with you and the children... Please call me I would love to talk with you...my phone number is 270 765-5398 and my address is 20 Woods Court, Elizabethtown, KY 42701.. There was not a whole lot we didn\'t get ourselves into...and Don right in the middle of them...I do know that we serve a loving and wonderful God and that he has Don with him now...yet the empty spot that was left will never and can never be filled. Just know that I care, and that I know the pain of losing a loved one...I just wish I could give you a hug...and that somehow I could take away some of the pain...God be with you Grace...all my love, Joyce Duvall Embry###imported-begin###Joyce Embry###imported-end##

“ My thoughts and prayers are with you as you fill this \'hollow\' place in your heart and family. I was a high school friend of Don\'s and my brother, Gordon Maxwell and Don were \'best buddies\'. We all rode the same school bus to GHS. Gordon died in 1997. I will forward this information to my sister-in-law, Diane Maxwell in Battle Creek, MI. Gordon often talked about Don \'Rags\'. “ Grace and children,
We're sorry to learn of Don's passing. I'll let my sister, Lou Ellen Honeycutt, know. They are in Florida just now. She enjoyed visiting with both of you at the last class reunion. I am in the class of '62. Please extend our condolences to Don and Pat, too. Sounds as though you've all been through a rough time. Please accept our sincere sympathy.

“ Grace, I am truly sorry to hear of Don's passing. He sure was a funny guy. I'll never forget the day I ran into him up on Bompas creek. He was soaking wet. He shot a duck and it fell onto some ice in an old slough. Don walked out on the ice and it broke through. He was wet to his neck. We built a fire to warm him and try to dry his clothes. He just laughed. He wasn't about to lose that duck. **Larry C. Odom**”
