“ I only knew your Mother a short time. I entered Cardinal House the latter part of Nov. 2011, and left there the 22nd of Sept 2012. When she was able to come to the dining room, she sat at the table that I did. I always teased her by calling her "Mary, Mary quite contrary." she always rewarded me with a smile. I stopped by several times to see her and made it a point to stop and tell her that I was leaving to come live with my daughter & son-in-law in Texas. It was my privilege and honor to have know her even for a short time.
