“ I met MaryAnn and Bobby when they worked at the Longbranch. They were so sweet together. I remember Mary Ann as kind, funny, a hard worker, and just a really nice person. She had so much patience with the customers. My heart aches for her family, as her mother just passed away. Sending prayers of consolation for her husband, daughter, sister, Mikki, who also served at the Longbranch. The Long family was blessed by all of them. So touched by your enormous loss

“ My mom was the most beautiful person I've ever met. We had our bad moments, but I would do anything just to have those back, so I could have more time with her. She was the best mom, best friend, and person I've ever met, and no one should ever doubt that. I love her with all of my heart. A minute doesn't go by without me praying for her to come back, but she's at peace now, and her happiness is what matters most. I love you, mom, please never doubt it❤️

“ *MaryAnn was one of the best coworkers a person could have. She had this way about her that made anyone around her happy. She brought much joy to the crew of the hospital, and we will have a hard time with her not here. I especially will miss her singing and her jokes during work. You are one of a kind and I will miss you alot.* ”

“ I just wanted to share a little story to let everyone know how big of a heart my friend had for even the smallest of creatures. She taught me a humane way to catch a mouse and set it free, by using glue traps and then using sand to safely remove and relocate to a safe environment. Mary whole heartedly knew how to love her friends and family and wasn't afraid to show it. She also wanted to confirm that she was loved in the same manner. The answer I have is yes, you are loved and will always have a special place in my broken heart my friend.
