“ *I am so saddened by the passing of "Aunt Beth". Even though our families were separated by miles, I always felt a certain closeness with her. She was the definition of refinement and grace. Not that she couldn't cut it up now and then. Her laughter was wonderful to hear. The love she had for Uncle Jack was unwavering, the pride and joy that Michael and his family brought her, was truly a blessing. Her faith and her service to others through her many years of nursing, signify the giving spirit that lit her from within. I know she has found a lasting peace and is once again in the arms of her forever love, Jack. While we will not be able to be there, we are sending our love and prayers from Perryville. Blessed was she, and blessed were we who loved and were loved by she.

What a beautiful lady who spent many years as a nurse serving others. May she rest in the peace & love of Christ!*
