“ My condolences go out to you for your lost. May you find true comfort from the hope that God gives you. This hope is found at John 6:40 were Jesus said that he will resurrect those who've exercised faith in him and give them everlasting life. How comforting it is to know that you have the hope of your loved one being resurrected back to life and you being with her again. This is a precious promise from God as well as the promise of living with Mrs.ShipleY again and at this time forever.
