“ *Your mom was such a lovely woman. I often think about the times we spent together in Aurba, sharing such a special time of my life with her and your family. Your Mother was such a pleasure to have around.
I am at a loss for adequate words to express my sadness for you. I had the blessed opportunity of knowing your mom and I know heaven just received one of the most special angels. You are a reflection of your mom in the way you treat people with respect and empathy. Not to mention the way you make each person feel loved. I am so sorry for your loss.
God Bless You##imported-begin##Brian Yockey##imported-end##*

“ *I will always remember Betsy for her wonderful sense of humor and her caring and compassionate personality. Although I haven't seen her much over the years, when I did she always made me feel special and in return she was always special to me, almost like a 2nd Mom. Please accept my deepest sympathies, I know she will be missed greatly, but she will always have a special place in our hearts and memories.##imported-begin##Bill Kafury##imported-end##*

“ Kim,Kathy,Karen,Jack and family,
So very sorry to hear about Betsy.I have many fond memories: from the old swim team days, high school and college years hanging out at the house, and more recently, running in to her around town or at the Country Club. She never changed - kept her sense of humor and aged very gracefully! You are all in our thoughts and prayers this week.
