“ Have every dish cloth she knitted for me. Loved surprising her with many skeins of cotton yarn. The world is going to be very gray without, my friend. Will be missed.

“*Dear Carol, Linda, and families, Mary was such a mentor for me when I worked at Cambridge Heights Apartments. She helped me as I learned my job, providing me with insights and encouragement when I most needed them. I will cherish the memories of Mary as she assisted with garden projects, telling me just where the plants would do the best. She rarely missed a tenant meeting and was a faithful participant in church services and weekly activities. She volunteered to hand quilt a pieced top for a tenant fundraiser. It was lovely. She had made quilts for her beloved family. She was so proud of her Christmas amaryllis and invited neighbors and staff to witness the short lived beauty of her blooms. Her door was open to everyone and her tidy apartment was frequently used for prospective renters. She tolerated the ups and downs related to her age and health with grace and dignity. Mary never felt sorry for herself and always had compassion for others less fortunate. I loved her and will miss her. It was an honor to know her.*

“ Mary will be missed by so many. I have had the pleasure of knowing her for almost 15 years. I will miss her smile and her sweet disposition. We we're lucky to have her in our lives. She was a VERY special friend to my momma (Freda Iser). Please take comfort in knowing she is no longer in pain and that we all gained an Angel to look over us. Until we meet again
