“ We are so sad to hear about Marys' death ....She was a wonderful person & friend, my best memories of Mary was Marge & I would go to visit her mom & we would sit on the swing,on the porch , drink coffee & talk for hours ...Some say she would tell you in a minute if you said something she didn't like or believe... but I never saw that side of her, she was always sweet & kind never said anything bad about anyone...that I heard... When we moved from Cambridge, I missed our visits with her, & feel bad because we didn't get back to visit very often.Your mother Mary,was loved & will always be missed by many...but we all have memories...& pictures ... Prayers go out to the family ,as we send our condolences.May God give you strength to make it through the days ahead.We love you !
