“ *Over the years, I have watched Mary in the role of mother and grandmother. I have always aspired to be like her, the quintessential mom. Mary had common sense, patience, calm, and a quick wit, regardless of the circumstances. She was honest to the core. The words of a Beatles' song always come to mind when I think of Mary. "When I find myself In times of trouble, Mother Mary comes to me. Speaking words of wisdom. Let it be." Thank you Mary, for all that you were and, always will be to me. Lovingly, cousin Kay.*
