“ *My fondest memories of my grandmother are going to visit her in San Francisco when I lived in Buena Park. I enjoyed going with them to the race track, and sitting in the garage listening to old time stories. I will always remember her with her nicely done hair dos and her rosy cheeks and red lips. When I lived with my Grandparents for six months I would enjoy going to the auctions and learning about antiques, as today my love for them come from all the knowledge I learned from my grandparents. I wish my grandmother and family peace and love..*
