“ *My little buddy I will miss so so much! You were the greatest joy and best of friend I will ever know. The love you gave me and the excitement you showed every day we spent time together did my heart so good. I will always remember our Sunday fun times and goofy moments, especially singing and dancing in the car and passing by others as they looked at us like we were crazy. The laughter, the love, the joy and the friendship and our awesome movie times I will miss forever. I will see you again little buddy and that big smile!*

Ron and Susan thank you for the honor and the trust you gave me with your daughter, they will be memories I will hold in my heart always! I love and miss you both! Rest in Peace little Buddy!

*Always Friends,
Darlene*

This was the nicest service I have ever seen. The words said were so beautiful. Thank you for honoring Melissa this way. She surely deserved such a beautiful send off.
